DECISION NO. 84-23

LOCAL 856, INTERNATIONAL ASSOCIATION OF  
FIRE FIGHTERS, MANCHESTER, NH

ORDER DENYING PETITION

FOR REHEARING

On March 8, 1984, The Board rendered a decision wherein it found that the "contract bar" to decertification, or other challenges, did not apply in this case, as the contract expired as of December 31, 1983 and, thereby

ordered a decertification election to be held as soon as possible between

the members of the Manchester Professional Fire Fighters Association, Local 856, IAFF and the District Chiefs, the Supervisory Unit of Local 856.

PELRB at it's meeting, March 22, 1984, reviewed the request for rehearing filed by counsel for Local 856 and determined that all evidence had been presented at the time of the original hearing, therefore,

**In accordance** with PELRB Rules and regulations, Section Pub 205.02 and RSA 541:5, the motion for rehearing is hereby denied.
